

Paul`s Voyage to Rome
Guitar lead sheet Capo 3rd fret
(Capo Chords)

Em G
I stood upon the shore one day
D Em
and watched the tall ships sail by.
Em G
Their sails unfurled, filled with wind,
D Em
neath the deep blue sky
C Em
And I wondered about the days of old
C Em
when men braved the vast open sea
Em G
With the Sun and Stars to guide their way
D Em
and prayer upon their knees.

Chorus;

C Em
Praise to the Lord who made the Sea;
C Em
The one who controls the waves,
Em
The sound of his voice,
G
like the force of a gail,
D Em
we`ll remember all of our days.

Em G
Now Paul was a man driven, it seems,
D Em
To preach the word of God.
Em G
With Luke by his side they opened the minds
D Em
to hear the word of God
C Em
With only the spirit to guide their way
C Em
through trouble and terrible times
Em G
Nothing, it seems, could hold them back
D Em
To preach the word of God!

Em G
Now, there was a day when the tempest
D Em
drew near to the ship that Paul was on.

Em *G*
No Sun ,No Moon or Stars was seen
D *Em*
as the crew faced the dawn.
C *Em*
The Ship was in peril and drawing the sea
C *Em*
The Sailors were all terrified!
Em *G*
And soon they decided to abandon the ship
D *Em*
to try and save their lives.

Em *G*
Now, Paul told the captain to stop the men
D *Em*
as they went into the Sea.
Em *G*
Last night as I was praying,
D *Em*
an Angel appeared to me.
C *Em*
He said; “ Keep the men from leaving the ship
C *Em*
or none of them will be saved”.
Em *G*
The skiff was let loosed to drift away
D *Em*
as the men prayed for the day.

Em *G*
Now, we are like ships that sail away
D *Em*
upon the open Seas.
Em *G*
The winds may blow, the waves may grow,
D *Em*
the sky may look so bleak.

C *Em*
But we must use that anchor of hope
C *Em*
to help us through the storms
Em *G*
The Captain of our Salvation is near;
D *Em*
Praise ye the Lord!
