

Father of Lights

*Father of lights, glorious lights
Shine your light today
Show us your will, let us be still
Guide our minds today
For we need your mind to show us the way
We need your mind today.*

*Father of Spirits, glorious spirits
Fill our spirit today
With wisdom and truth, knowledge and fruit
Guide us in the way
For we need to be renewed day by day
We need your spirit today*

*Father your Son, your precious one
Lives inside us today
Let us be one with you and your Son
Guide us in the way
For we need your Son to show us the way
We need your Son today.*

*Father of gifts, heavenly gifts
Grant them to us today
Hold not your hand from those in your plan
Let us bear fruit today
For we need your gifts day to day
We need your gifts today.*

*Father of grace, abundant grace
Shower your grace today
Cleanse us from sin, deep from within
Show us the way
For we need you grace day by day
We need your grace today.*
