

I am the Vine

*I am the Vine, You are the branches
You can do nothing without me
My Father is the Vinedresser
He prunes all those so they bear much fruit.*

*And when you see the Stars at night
And wonder where you'll be
Think about the things you've heard
and the Faith you have from me*

*I am the Vine, you are the branches
You can do nothing without me
My Father is glorified in this;
That you would bring him
Very much fruit*

*And when you see the Stars at night
And wonder where you'll be
Think about the things you've seen
And the Hope you have from me.*

*Abide in me and I in you
And know that I will always be true
I in you, You in me
We in the Father, eternally*

*So when you see the Stars at night
And wonder where you'll be
Think about the things you've seen
And the Love you have from me*
