

There is a River

*There is a River that flows from Jerusalem
Pure living waters that flow from Jerusalem
And the Deserts will bloom
The Earth will be renewed
And the leaves of the trees will heal
Where the children will play
And the creatures will say;
No harm will come to those
Who dwell upon the Mountain of the Lord!*

*There was a River that flowed through the
Mountain of the Lord.
Crystal clear waters that flowed through
The Garden of the Lord.
And the Earth was at peace from
Bondage released.*

*And the leaves of the trees did heal.
Where the Lord walked with man,
Took him by the hand
Showed him the way to peace and life
upon the Mountain of the lord.*

*There is a River flowing from New Jerusalem
Spiritual waters flowing out of New Jerusalem
And this River will flow down streets of Gold
and the leaves of the trees will heal
Where the Father will be with you and me
Wiping away all tears, all sorrow, all death
for all time.*

*My heart is longing to be in Jerusalem
A voice is calling you to Jerusalem
Can you hear Peter say; Are you going my way?
Can you hear the voice of John too?
And as you walk along, singing the psalms
David will say; Come let us worship upon
the Mountain of the Lord!*

*There is a River that flows from Jerusalem
Pure living waters that flow from Jerusalem*
