

Will He find Faith

*Jesus told them to preach far and wide
And that they would walk against the tide
And be buffeted on every side
For the sake of my word*

*He said the Kingdom would be leaven
Filling the Earth under Heaven
And that he would make all things new
As the dawning of the day*

*Will He find faith on the Earth?
Will He find faith on the Earth?
Will the World remember His name
Will He find faith on the Earth?*

*Now we preach the Gospel near and far
Not knowing when the day will come
When all the people of the Earth will mourn
When they see Him in the sky*

*2,000 yrs. Long time since He disappeared
And all the skeptics say it was absurd
To believe in such a man on Earth*

*Now we need to think upon those things
That the Kingdom is going to bring
Peace, and Joy, and Righteousness
Yes, the World will have eternal rest*

*Now our days are growing shorter now
We may run our course now
And join the many
Who have gone before
In the shadow of His wings*
